Dear Friends and Fishermen:

We have a great number of fishermen who enjoy the privilege of fishing in Lake Remmick at Camp Dittmer every year. The lake offers some of the best fishing in the area, and season after season, we see many of our friends returning.

Fishing at Camp Dittmer is by permit only. To earn a permit, fishermen may:

1). Make a contribution to the Iroquois Trail Council's "Friends of Scouting" campaign of not less than fifty dollars (\$50.00). Please include "Camp Dittmer Fishing Permit" in the memo section of your check or money order.

The dollars generously contributed by all of our fishermen friends are reinvested in Camp Dittmer and help to improve the facility. Some of you who return year after year may have seen some of the improvements that have been made possible through your generosity. Every dollar does count!

All fishermen must have a current signed and dated "Hold Harmless Agreement" on file at our Scout Service Center. **NO PERMITS will be issued until the Hold Harmless Agreement is returned.**

I thank you in advance for your contribution and your continued generosity.

With Many Thanks,

James C. McMullen
