Nomination For The Silver Beaver Award

The Silver Beaver Award is given to honor noteworthy individuals of exceptional character for their service not only to the Boy Scouts of America but to all youth through their involvement in community activities such as civic, business, professional, religious, fraternal, veteran, etc. This award is based on exemplary service at the Council level, which clearly surpasses the individual's unit or district. Only registered, volunteer Scouters, over 21 years of age are eligible for nomination.

Volunteer Scouters nominate eligible persons by completing the attached application. The Silver Beaver Award is presented annually to deserving individuals, after careful consideration by the Silver Beaver Selection Committee. Nominations are not kept for nominees not selected. An application must be resubmitted for individuals to be considered for this award.

All Silver Beaver nominations must be submitted, on this application, prior to the closing date, for consideration by the selection committee. Because of the distinguished nature of this award, it is essential to include as much information about the nominee as possible. The form asks that very specific data be provided, including an extensive Scouting history and current status as well as accomplishments, making this nominee the most qualified for the award. Areas/questions left blank will be considered as no service given. **The nomination is held in strictest confidence from the nominee and while it is not appropriate to interview the nominee for information, casual conversation may elicit the data required.** Other sources of information may be used such as: spouse, Scout Service Center records (both current and previous), friends, neighbors and other Scouters. Every possible precaution must be exercised in obtaining information in order to preserve the integrity of the award. The individual nominated should have no knowledge that he/she is being considered. This is a requirement of National policy and prevents possible embarrassing situations for the nominee.

This application for nomination for the Silver Beaver Award must be submitted to the Council Service Center no later than **December 1st** for consideration. Submission may be in person, mailed or e-mailed. In all cases, late entries will NOT be considered. Additional copies of this application may be obtained at the Council Service Center or from the council's Website (www.itcbsa.org).
